

SMART Response LE for younger students

Contributed by Administrator
Thursday, 25 June 2009

Smart Response LE has now been sent out press information about.

SMART Response which is a Junior version of SMART Response (prevoulsy Senteo) has five colorful buttons with signs so that it can be used for lower grade students as well as special need students.

Read more at SMART for this solution which is expected to start selling by the end of the year.

Click her for a video showing the possibilities at Teacher Tube.
